**Number of Absentee Ballots:** 197

**Notes:** 1 absentee not returned, 1 rejected. On poll list says 199 absentees but should say 197 because only 197 counted. Inspector statement did not match #'s on poll list, After hand counting all ballots and being 3 over, group tested Insight machine and ran ballots thru and discovered that on Election night 3 ballots must not have been able to be read by machine. Even though the warning said ballot was not counted, inspector must not have looked at that and must to have pulled ballot thru and dropped in box without giving back to voter. Those 3 did not get counted on Election Night. BOC added those ballots to totals.

Voter numbers were issued to provisional voters prior to satisfaction, occasional in person voter cert envelope missing witness signature, All ballots hand counted then counted Insight ballots by machine after properly testing. There were a few ballots, over voted or defective, that were not able to be read by Insight so voter intent was determined by BOC and votes added into totals. Registered Write in candidate results from one of the Edge tape had not been included on Election night results so those were added in.**

**Recount Vote Totals for Reporting Unit: Trump 2116, Clinton 1554, Castle 20, Johnson 148, Stein 43, Moorehead 3, DeLaFuente 1, McMullin 7**

**Tally sheets for hand recount of ballots are available at County Clerk's Office.**

**Ending Seal #: 9379555, 9379641, 9379585, 9379642, 9379556, 9379554**

*A copy of the minutes from any recount must be sent to:*  
Wisconsin Elections Commission

**VOTE CHANGE: +2 Trump +3 Clinton, +2 McMullin**

All necessary adjustments were made in WEC's Canvass Reporting System and the results verified. The Canvass Board signed the certification for the November 8, 2016 General Election. Certification was emailed and snail mailed to WEC.

Respectfully Submitted, DeeAnn Cook, County Clerk (minutes are not official until approved by committee)
